With a cowculator.

Benefits of Baking & Cooking with Kids

1. Build math skills
2. Enriches oral vocabulary
3. Teaches scientific concepts
4. Boosts reading skills
5. Introduces life skills
6. Develops fine motor skills
7. Promotes social skills
8. Provides fun "connect" time

What do you enjoy the most when cooking and baking with your family? Do you have a favorite go-to meal or dessert? We would love to try some new recipes. Please share your family favorites in the comments below.

A CONNECTION
is the energy
THAT EXISTS
between **TWO PEOPLE**
when they feel
seen, heard, and valued;
when they can
give and receive
without judgment;
and when they
derive sustenance
and **STRENGTH** from the
relationship.

Wild Rose teachers understand the importance of connection! Even though we can't see each other each day – we are thinking of you all every single day! Teachers are learning from home just like our students! Parents, if you want to look a little deeper at the importance of connection – and see what teachers are working on - check out Dr. Jody Carington, author of Kids These Days!

We would like to extend our thanks to Ruth for sprucing up our
flower beds at the school again this spring!!
Our tulips & perennials are looking fantastic!
