What's up Wild Rose!

~by Wild Rose School

Even the hardest puzzles  have a solution.

Birthday Shout-outs!

- May 7—Dax
- May 8—Alyssa S

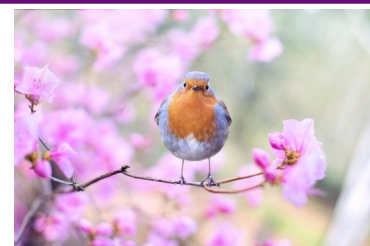

All about Mom ~~ Mother's Day May 10th

- * If you could give your mom anything in the world for Mother's Day, what would you give her? Why?
- * What is your favorite thing to do with your mom? Why?
- * Create a memory square for your mom. Draw a picture of a favorite memory and write a sentence or two to describe the picture.
- * Make a Mother's Day card for your mom. Tell her what you love about her.

Have you captured the spirit of spring? There is so much to see at this time of year. Take a moment to enjoy a nature walk with your family. Talk about what you see, the things you hear and what you smell. Snap pictures along the way and share them with us in the comments.

We are accepting Kindergarten registrations for 2020-21. Registration forms can be found on our school division website under the parents tab or by following this link. https://www.srsd119.ca/?page_id=911

Do you have a favorite family card game? Playing cards can develop many math and memory skills. Also, the conversation that comes with sitting to play card games can strengthen family ties. Mrs. Little plays garbage with her kids! Let us know which card game you recommend in the comments below.

Rosie's Joke Corner:

Why did the m&m go to school?

Because he wanted to be a Smartie.
