4. Walk-A-Thon Purchases

The purpose of the Walk-A-Thon is to build community and raise funds to support Wild Rose School and students. We hope to augment our students' school year with a variety of experiences and opportunities. Thanks to the funds raised by the community during our Walk-A-Thon, our school is able to do so many things for our students that we may not be able to do without them. We wanted to communicate our plans for this year's money raised. This year's funds will help us:

- Host a Pancake Breakfast (in the spring – fingers crossed)
- Offer Student Recognition and Incentives
- Replace White Boards in our classrooms
- Create Classroom Budgets so teachers and students can purchase necessary supplies and create seasonal / holiday crafts and gifts
- Purchase Library Resources – reading material, furniture, tipi, games etc.
- Computer Software to support student learning
- Purchase Outdoor Ed Equipment
- Purchase PE Equipment
- Buy new uniforms for our sports teams
- Cover Transportation Expenses for various curricular and extra-curricular activities
- Christmas Meal and Theatre Expenses
- Supplement Swimming Lesson Expenses
- Supplement Ski Trip Expenses
- Continue to invest in our Outdoor Garden and Learning Space – Reading Huts
- Upgrade playground area for multiple activities
- Build Sensory Paths (in and outdoors possibly)

Obviously with the current Covid restrictions we may not be able to participate in / complete some of these experiences this year. Money not spent this school year will continue to support students in the next school year. Thank you for supporting our school and our students. Your contributions are directly linked to enriching the lives of our students.

5. Next meeting set for the Oct.19, 2021.

We had a request for zoom access to the meeting. Would this be possible?
