3. Trustee Report

Wildrose SCC Sept 14/22 Trustee Report

Represent: Canwood, Shellbrook Elementary, WP Sandin, Wildrose

Board has had first meeting on Aug 29, next one this coming Monday

-pipe ceremony and meeting with Elders in the morning

Sask Rivers Students for Change will be starting up again with first meeting on Friday, will choose an urban/rural trustee to sit at board table to represent high school students in the division at each meeting

-Sask Rivers received almost an additional \$1 000 000 in funding from government for inflationary that came from increased resource revenues

- Used for items such as fuel, transportation, power, insurance, items that have been
- impacted by inflation

-The provincial government has invested an additional \$800,000 in 2022-23 for Mental Health Capacity Building, bringing yearly funding to \$2 million.

This expansion brings the number of schools taking part in the Mental Health Capacity Building initiative to 10. The initiative promotes positive mental health in children, youth, families and people in the community who interact with children by focusing on prevention and mental health promotion, early identification and intervention. It also helps young people better manage their feelings and increase awareness of where they can find help.

The five schools selected for the program's expansion are: Churchill Community High School in La Ronge, Prince Albert Collegiate Institute in Prince Albert, St. John Community School in Prince Albert, Weyburn Comprehensive High School in Weyburn, and Dr. Brass School in Yorkton.

They join the five schools that were pilot sites for the initiative: Dr. Martin LeBoldus Catholic High School in Regina; Hector Thiboutot School in Sandy Bay; North Battleford Comprehensive High School and John Paul II Collegiate in North Battleford; and Greenall High School in Balgonie.
