### Principal's Message

May is a wonderful time of the school year as the weather warms and we have the opportunity to take more of our learning outdoors to engage in some explore and play. We are anxious to plant our garden boxes and learn about plant growth. As well, we can examine and meet our life science outcomes at the different grade levels, and we can engage in more movement activities such as free play and track and field. We are so fortunate to have the space to do all of this at Wild Rose. Track and field events are being taught in PE classes and practices will begin this week so our grade 4-8 students are ready for our Rural Track Meet on May 17 at Prime Minister's Park. It's going to be a great day. As well, teachers are beginning to plan year-end activities and field trips. We will send home an Out-of-School Excursion form for all activities that require bus transportation as well as information about each field trip. With all of that going on, we will continue to work hard on our literacy goals and the rest of our learning outcomes. "May the warmth of the sun and fresh breeze of May greet you with a warm hello." (Unknown) It's going to be a great month!

Mrs. Grant-Walker

---

### Rural Track Meet May 17

All students in grades 4-8 will take part in the Rural Track Meet on May 17, from 9:30 am - 3 pm at Prime Minister's Park. Students will be bussed to and from the event. Please watch for permission forms and detailed information coming home this week. If any parents are able to help out at the track meet, please contact Mrs. Grant-Walker.

### Tipi Teaching for May

This month's Tipi Teaching is Cleanliness. In Indigenous culture, spiritual cleanliness is about being a positive person by thinking happy thoughts and showing others that you care. Personal cleanliness is keeping your space tidy and your body clean by washing your hands, brushing your teeth, and taking a bath.

### Student Teachers

We would like to welcome the following student teachers to our school for 3 weeks in May. Mr. Gilson and Miss Giasson will join the grade 3-4 class and Miss Nelson and Miss Tatlow will be in our grade 7-8 room.

### WR Afterschool Program

The Afterschool Program is hosting a Paint Night Fundraiser on Friday, May 12. Registration is completed online. If you are unable to attend the event, paint kits can be purchased to complete at home. More details can be found on the Wild Rose Before and After School Program Facebook page.

## WE ARE EXCITED!

Wild Rose Public School was selected for a grant for the ParticipACTION Community Challenge coming June 1-30!

A HUGE thank you to ParticipACTION and the Government of Canada for sponsoring this project!

The Community Challenge is a national physical Activity initiative that encourages everyone to get active together throughout June. Anyone can participate by logging their activity on the free ParticipACTION app at <https://www.participaction.com/programs/community-challenge/>
